

Below, you will find a list of the most **common irregular verbs in English**. You should know these by heart. They have been listed alphabetically to help you look up a particular verb more quickly.

Remember that the **base form** is used with the simple present tense. (Example: "I often forget my umbrella.") The **simple past** form is used with the simple past tense. (Example: "I forgot my umbrella yesterday.") The **past participle** is used with the perfect tenses, such as present and past perfect. (Example: "Oh no! It's raining and I've forgotten my umbrella.")
